## THE NEW YORK LATIN LEAFLET

DAVID H HOLMES, Managing Editor

EASTERN DISTRICT HIGH SCHOOL, BROOKLYN

Published weekly during the school year by an Editorial Committee of classical teachers from the high schools in New York City.

The entire expense of publication is met by the advertisements, so that every penny of every subscription goes into the Scholarship Fund. The subscription price is 25 cents a year. The advertising rates are twenty-five (\$25) dollars an inch, a year.

All communications concerning *The Leaflet* should be addressed to *The Latin Leaflet*, Eastern District High School, Driggs Ave and So 3d St, Brooklyn. Subscriptions to *The Leaflet* should be sent to the same address. Communications requiring answers should contain return postage.

The treasurer is E W Harter, Erasmus Hall High School, Brooklyn, to whom checks made payable to *The Scholarship Fund* should be sent.

The internal purpose of this publication is to provide a Clearing House for secondary classical teachers in New York and vicinity or anywhere else; to afford an opportunity to younger classical scholars anywhere for the publication of their more modest endeavors along the line of original work, which might not otherwise see the light; to stimulate the teaching and quicken the student activity in the classical work in the high schools of Greater New York. The external purpose is to establish one or more College-entrance-scholarships for the most successful graduates from high schools in New York City, to be awarded on a competitive examination. The proceeds over and above expenses will be devoted to a scholarship fund. The labor involved is a labor of love.

## Just a Word on Dress

Ralph Waldo Emerson wrote: "*If one has keen sensibilities, it is perhaps a wise economy to go to a good shop and dress himself irreproachably.*"

We have learned that no keener sensibilities nor better judgment of styles exist than are possessed by young men and observant boys.

We wish them to learn that ours are "good shops".

*If I had a class in Vergil next term I would use  
KNAPP'S VERGIL*

My reasons for the decision are:

- (1) Because its Introduction contains the best material in biography, history, mythology, and grammar of Vergil that is available
- (2) Because the notes are on the same page with the text, saving the time given to finding the place in the back of the book and thus conserving powers of attention and application
- (3) Because of its superior illustrations and mechanical excellence
- (4) Because all long vowels are marked in the text
- (5) Because I can have a separate text for the recitation room

Would not these reasons influence you in the choice of a book?

This book, while simple, includes everything needed by the student in reading the Commentaries. The introduction contains an outline of the life of Caesar, a description in brief of the scenes of his military operations, and a short treatise on the military system of the Romans. The notes are sufficiently helpful, and the illustrations are appropriate, yet
